

Central Carolina Amateur Radio Communications Team Net Script (Wednesday night Net)

Good evening, this is [NAME, CALL SIGN] calling the Central Carolina Amateur Radio Communications Team net. This net meets every Wednesday evening on the 441.950 Sanford, NC repeater, with a sub-audible tone of 136.5 hertz, at 9pm local time, for the purpose of coordinating activities of the Amateur Radio Emergency Service in and around Lee County. In the event of repeater failure this net will meet on the 147.105 repeater, tone 82.5 Hz.

(pause)

This is a directed net. All stations must use their call sign for recognition by Net Control. All stations list your traffic, reports, bulletins, and announcements during roll call; they will be handled after roll call.

(pause)

Any priority or emergency traffic will be recognized immediately and be handled prior to continuing the net. IS THERE ANY PRIORITY OR EMERGENCY TRAFFIC AT THIS TIME?
(Pause and handle traffic, if any)

(pause)

All stations are invited to check in during roll call, please do so with your call, name, location, and ARRL appointment, if any. Any station needing to leave the net, please advise Net Control Prior to leaving.

(pause)

This is Net Control Station [CALL SIGN, MEDICAL FACILITY if located there] for the Central Carolina A. R. C. Team net.

(pause)

Are there any officers that would like to check-in?

(pause)

Continuing with the roll call, calling stations suffixes:

Alpha through Golf

(Take check-ins...recognize name and callsign)

Alpha through November

(Take check-ins...recognize name and callsign)

Alpha through Zulu.

(Take check-ins...recognize name and callsign)

Are there any late or missed stations at this time?

(Take all listed traffic, reports, bulletins and announcements at this time.)

(Ask for questions or fills if not already asked)

(Ask the EC and AEC individually if they have traffic or announcements for the net. If so, have them share with net at this time)

(pause)
